

Update Feb. 16

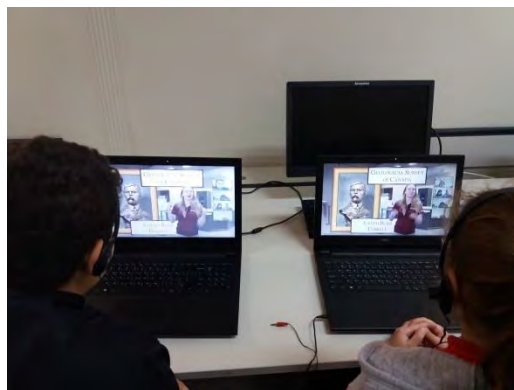

ACTIVITIES

After school activities will resume again in the coming weeks. SK-6 please complete the form that have been sent home. If you wish to offer something to our students please let us know!

Grad Photos are Sunday Feb. 19

Grade 4's Visit Tyrell Museum in Alberta a great success!

DEPARTMENT NEWS

Congratulation to our Music students **Chloé George, Razan Dareer and Fayez Ouhib**, who sang the National Anthems beautifully last night at the Canada Flag Day Reception held by the Embassy of Canada.

Musical Theatre Extra Curricular help will be open on Mondays after school to Junior High and High School students currently enrolled in the class.

Course Selections, University Placement and SAT

Ms. Heather, Student Services, will begin course selection for secondary students in March. There will also be a student/Parent information evening regarding university planning for students currently in grade 11, stay tuned.

Please let Ms. Locke know if there are any grade 7-10 students interested in taking a practice PSAT (grade 9-10) or Early Edge (grade 7-8). These tests help give students an indication of whether they're on track to take the SAT or ACT down the line. The SAT is only required if you are planning on going to an American University.

“ Failing to plan
IS
planning to fail ”

School Fees

Second Term fees are due by Feb. 28, contact the finance office with payment information.

Report Cards

Reports for student grades 7-12 will be sent home Feb. 28

Sports Day

Will be rescheduled. Stay tuned

Transformed hearts produces results!

<https://www.youtube.com/watch?v=oJJGuIZVfLM>

12 year old Canadian Severn Suzuki's message, about transforming our hearts, inspires Grade 6 Blyth Academy to start recycling. Another great cross curricular activity from Mr. McIntosh's students.

Above - Kids in Ms. Kenny's class making use of used t-shirts to develop carrying bags.

PILLOW DAY GRADE 2B
